

CTC tennis court priority use list

Because the demand for court time sometimes exceeds the number of courts available, a priority list of tennis users was adopted and approved by the Clovis Tennis Club board of directors. All coordinators, captains, coaches and organizers so as to eliminate any misunderstandings or conflicts regarding court use should review this priority list.

The following CTC sponsored activities, which have been sanctioned by the Clovis Unified School District, are listed in order of their approved priority. (Note: All CTC-sponsored use of the tennis court facilities at Clovis Unified sites must be approved by the school district in advance).

The CTC authorizes the following priority list among CTC-sponsored users:

1. CTC leagues
2. Social events (Turkey Tournament, Christmas Chance Draw, etc.)
3. CTC-sponsored USTA team home matches
4. CTC-sponsored Saturday morning men's doubles and Sunday morning mixed doubles groups
5. CTC-sponsored Intercity team home matches
6. CTC-sponsored USTA team Monday night practice sessions
7. CTC-sponsored Intercity team practice sessions

Priority rank is valid **only if courts are reserved by posting net reservation signs at least two hours before use**; otherwise priority is given to the next listed CTC-sponsored activity.
