CTC memberships follow a 12-month cycle from the date of membership at \$30 per year.

The 11th annual 2015 CROP Hunger Tennis Tourney was held the last weekend of May this year at Clovis North High School and the tournament was a huge success. With over 100 players in the draw we were able to generate over \$5,000.. Thanks again to all of the CTC volunteers that make this event possible and to the players too, Together we can make a difference in combating hunger in our community and worldwide too. Many people ask what CROP stands for, its an acronym for "Communities Reaching Out to People". And yes there is a CROP Walk too.... It will be held on Sunday, October 18th and will be hosted by the Good Shepherd Lutheran Church in Fresno. The 3 mile walk helps us get the message out to the greater community that hunger is any even more pressing issue than ever before in the San Joaquin Valley because of the drought and loss of jobs. If you would like to take part in walk, please call 559-284-8782
